Introduction:

Les seules difficultés pour cette ligne de basse ce sont les contretemps en croches.

Ce morceau se joue normalement sur une basse à 5 cordes mais je vous propose 2 versions: une pour une basse à 4 cordes et une pour une basse à 4 cordes

Il y a également dans ce morceau une basse séquencée qui est très répétitive et qui est jouée plus dans les aigus, je vous ai écrit la partition et la tablature pour cette partie, notez qu'il faut jouer des notes courtes pour cette ligne de basse.

Il n'y a pas de batterie pour ce titre mais juste des bongos, je vous ai écrit la partition que vous trouverez à la fin de ce dossier.
