Introduction:

Une belle ligne de basse, les principales difficultés sont les accents, les contretemps, les glissés, les hammers, les notes courtes, les pull-offs et les syncopes.

Pour la partition de basse il y a 1 dièse à la clef: le Fa#.

Pour la partie de batterie il y a beaucoup de variantes sur la charley, il y a également des contretemps en croches à la grosse caisse et des breaks en doubles-croches sur la caisse claire. Pour les plus débutants: si vous possédez une cloche et qu'elle est fixée sur la tige de la cymbale charleston vous pouvez jouer la cloche sur chaque temps à la place de la partie de charleston fermée et jouer uniquement les parties de la charley ouverte en la refermant au pied.
