Introduction:

Une partie de basse assez difficile (c'est souvent le cas avec Led Zeppelin) avec beaucoup de notes à jouer, il y a des mises en place rythmique en doubles-croches pas faciles à exécuter avec des syncopes et des contretemps, il y a également des hammers, quelques glissés et des doubles-notes sur la fin.

Pour la partition il y a 2 dièses à la clef: le Do# et le Fa#.

Pour la batterie les plus grosses difficultés ce sont la mise en place du duo grosse caisse / caisse claire et les breaks en sextolets ou avec une alternance doubles-croches / sextolets (une habitude chez John Bonham).
