Introduction:

Un Morceau en 3 / 4 pour changer

Pour la basse les seules difficultés à signaler sont les contretemps.

Pour la partition de basse il y a 1 bémol à la clef: le Sib.

Pour la batterie **attention les croches sont à interpréter sur un rythme shuffle !** Les grosses difficultés sont les contretemps à la grosse caisse et l'enchaînement entre la rim-shot et les breaks sur la caisse claire.
