Introduction:

Un des morceaux les plus connus de Scorpions, à la basse pas de grosse difficulté à signaler à part des syncopes et des contretemps mais rien d'insurmontable.

N'hésiter pas à effectuer des glissés entre chaque case du manche de la basse sur les couplets.

Pour la batterie il y a également des syncopes et des contretemps à la grosse caisse mais ce sont surtout les breaks qui ne sont pas faciles à mettre en place (surtout celui qui est juste avant le premier refrain ou il faut jouer un enchaînement sextolets / doubles-croches).

Si vous n'avez qu'un seul tom basse, remplacez le deuxième tom par la grosse caisse dans l'intro du morceau.
