### **Introduction:**

Une partie de basse assez difficile avec beaucoup de doubles-notes, il y a également des glissés, des notes muettes et des hammers, pour la mise en place rythmique il y a pas mal de contretemps et de syncopes.

Pour la partition il y a un changement d'armure en cours de morceau avec 3 dièses à la clef: le Do#, le Fa# et le Sol#.

La batterie est relativement facile, les plus grosses difficultés sont les breaks avec une alternance croches et doubles-croches qui sont tous différents.
