Introduction:

Une ligne de basse relativement facile, les difficultés sont les contretemps, les syncopes et une note muette. Attention au démarrage à contretemps sur plusieurs mesures de ce morceau.

Pour la partition de basse il y a 4 dièses à la clef: le Fa#, le Do#, le Ré# et le Sol#.

Une partie de batterie relativement facile également, les difficultés sont les accents sur la charley, les contretemps à la grosse caisse et les flas, il y a juste un coup de grosse caisse en double-croche au début du solo de guitare qui pourrait poser un problème aux plus débutants vu le tempo du morceau.
